

Flu Shot Clinics 2009-2010

On-Site Flu Clinic Details

- Scheduling will be for October through December.
- Cost for the seasonal flu vaccine will be \$20
- There is a minimum of 20 people required for an on-site clinic* (see Express Care option).
- 35 people an hour can be vaccinated using one nurse. For larger employers, several nurses can be provided.
- Participants must be 18 years or older.
- Each employer needs to provide a person to assist with paperwork and payment during the entire clinic.

Billing Information

- Employees paying for the shot can pay by cash or check.
- Employers paying for the shot will be invoiced after the clinic.
- **Attention Employers with Blue Cross of Idaho or Regence Insurance plans.** Employees with these plans must pay for the shot up front but if they would like to be reimbursed they will need to provide their health insurance information. Saint Als must file the reimbursement claim to Blue Cross and Regence on the participants' behalf and payment will be sent directly to the participants.

Express Care Flu Shot Program

We are excited to provide another option for ensuring your employees get vaccinated this year. Our four Express Care clinics can provide flu shots for your employees during our flexible evening and weekend hours. Please contact us for billing options.
