about
Dr. Avancena

CARE PHILOSOPHY

"I went into medicine because I'm driven by the desire to help others and the challenge of lifelong learning. I understand how overwhelming a cancer diagnosis can be, and I strive to guide and support patients through that experience with empathy, clarity, and respect. I am committed to providing evidence-based treatment that is compassionate, individualized, and built on a foundation of partnership, aligning each plan of care with the patient's goals and values."

MEDICAL EDUCATION

Donald and Barbara Zucker School of Medicine
at Hofstra/Northwell

RESIDENCY

Lenox Hill Hospital

FELLOWSHIP

Lenox Hill Hospital
