

Fracture & Orthopedic Trauma Clinic

Your Partner in Adolescent and Adult Orthopedic Trauma Care

Our Fracture and Orthopedic Trauma team is the same team that supports the Saint Alphonsus Regional Medical Center Orthopedic Trauma Program - the region's most capable Level II Trauma Center and the only facility staffed by fellowship trained orthopedic trauma surgeons 24/7. This team specializes in surgical and non-surgical treatment of simple and complex fractures and dislocations, and they are dedicated to providing high-quality and comprehensive care for traumatic injuries.

Daniel Bechtold, MD

Loren Black, MD

Jeffrey Low, MD

Emily Squyer, MD

► How to refer

1. Fax your referral to (208) 302-3955
2. Email **fractureclinic@saintalphonsus.org** and note that you have an Urgent Care patient who needs to be seen quickly. These emails are reviewed several times each day to ensure your patient will be contacted within 24 hours (or on Monday) to schedule an appointment to be evaluated by one of our providers.

Please include the following information in your email:

- Patient name, DOB and contact phone number
- Brief overview of the patients condition
- Referring clinic and provider name and contact number for questions

If you have follow up questions regarding your referral, please call the clinic at (208) 302-3900 and ask to speak with the Fracture and Orthopedic Trauma Clinic supervisor.

► Have a question that needs to be answered quickly?

Emergent After-hours Care (Transfer to a Saint Alphonsus facility is required)

Call the Medical Access Center at (208) 367-8855 and request an Orthopedic Trauma consult.

Urgent / Non-Emergent Care (Patient is discharged home and needs to be seen quickly)

Call 208-302-3900 Monday - Friday before 5:00pm. After 5pm, please email us and/or call us in the morning to coordinate a same or next day appointment for your patient.
