

REQUIRED COVID-19 SCREENING

Colleagues and providers must self-screen prior to coming into a SAHS facility.

How will YOU screen? Find out below!

Do you use a physical timeclock?

YES

NO

You get the easiest solution! There will be an attestation in front of your timeclock that you will read prior to clocking in. **By swiping your badge, you are agreeing to being symptom and exposure-free.**

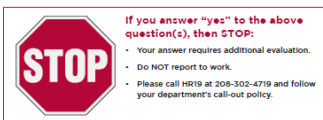

REQUIRED SYMPTOM CHECK

By clocking in, you are attesting that you DO NOT have any of the following COVID-19 symptoms, exposures, or test results.

- Fever or chills (>100F)
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

...Or...

- Had close contact exposure to someone with COVID-19 infection in the past 14 days?
- Had a positive viral test for COVID-19 in the prior two weeks? (Unless you have been cleared to return to work by HR)

Tracking and auditing through Kronos

Are you exempt or a provider?

YES

NO/IDK

You are expected to use the Certify (aka 'Fast Pass') text system to screen yourself prior to working in SAHS facilities. **You get to screen from the convenience of your smartphone.** Do you need to sign up? It's fast. Choose the link below based on your geographic location:

Boise

<https://app.certify.me/SARMC>

Nampa

<https://app.certify.me/SAMCN>

Ontario

<https://app.certify.me/SAMCO>

Baker City

Tracking and auditing through Certify

You might be clocking in via telephone or not have access to a smartphone.

Some SAMG clinics have an approved screening process documented on a paper log. This is a viable option.

Otherwise, **use Certify** (see left).

If you do not have a smartphone or cannot use Certify, please notify your leader ASAP. An alternative arrangement will need to be made.
